

Quail Springs Church of Christ

The Quail Springs congregation is devoted to following Jesus and His teaching. We believe that He died on the cross to save us from the penalty for our sins, that God raised Him from the dead, and that those who believe in Him will also be raised to live with Him in heaven. We believe that the Bible is the authoritative word of God and that the Holy Spirit is God's presence in the life of every believer to empower us to live the lives He calls us to live. Our hope is that in our worship and service we will be able to testify to the grace and power of God to save us, to heal our hurts, and to give us hope.
